Other Important Considerations:

If an incoming wire has not yet been credited to your account:

- Wires are posted throughout the day. Please check your account periodically to see if your wire has been posted.
- You may want to call the originating financial institution to verify the date and time the wire was sent.
- In order to research an international wire, you must obtain a copy of the original SWIFT message from the originating bank.

The last incoming wire is processed at 3:30 p.m. Monday - Friday (ET) Advantage FCU does not send or receive wires on Saturdays, Sundays or Federal Reserve holidays.
